

God has blessed me with a productive shooting history, since 2011. Established with the mindset of being worthy of self-defense, I quickly obtained my CCDW license, immersed myself in professional training, and was richly rewarded for my efforts. Currently, I am the only female Range Safety Officer at American Institute of Marksmanship in Cave City,

KY; I'm a Certified Instructor of CCDW and in process of implementing Ladies Only CCDW classes at AIM; and I direct the "Ladies Only" Shoot-Together (L.O.S.T.) at AIM every 3rd Saturday. My goal is simple - teach women anything gun, and enjoy every minute of it!
